SAM: REGISTERED

FAA-AC-0056

CMMC2.0

- Over 200 Franchised Lines with Financial Strength - 75 years in Business
- Industry Leading Direct Relationships with Our Suppliers providing Flexibility for our Customers
- Nationwide Support with Sales Offices and Warehouse Locations Throughout the US
- MIL Spec/ Aerospace Parts
- AS5553 / AS6496 Counterfeit Avoidance/ GIDEP
- C of C / Full Traceability/ 1st Article Reports (AS9102)
- Commitment to On-Time Delivery & Service Excellence
- Design Engineering Support - Factory Technical Support, Design Assistance, Samples, Prototypes, Testing
- Supply Chain Support - Flexible Terms, Flexible MOQ's, Lead -Time Mitigation, EDI, VMI, JIT, Automatic Replenishment, Online Order Management, Dock to Stock, Barcoding, Kitting, Package Tracking, Same Day Shipping, Expedites.
- Lead-Time Support - Ability to offer alternate suppliers/solutions to long lead -time items. Direct relationship with the factories to improve delivery.
- Stability of Supply - Disaster Recovery & Business Continuity Plan
